Dear Parent/Carer,

I am writing to inform you that The Phoenix Collegiate has been asked to work with The Ace Academy in Sandwell to support their school improvement. This is a wonderful opportunity for us to share the expertise that has been developed at Phoenix in recent years. Initially, this initiative will involve Mr Hill working closely with the leadership team and staff at ACE to develop and implement a robust school improvement strategy.

To ensure the continued success of Phoenix, the governing body has appointed Mr Smith as Associate Head Teacher, taking full responsibility for the day to day running of the school. To add further capacity to the leadership team we have appointed Mrs Jackson as the Senior Deputy Head Teacher and made a new Deputy Head Teacher appointment for the duration of this work. Mr Hill will continue as the substantive Head Teacher and will be involved in all aspects of the school's work.

Yours sincerely,

Leigh Pepper
Chair of Governors
