

1st November 2017

Dear Parent/Carer,

Re: Sixth Form Open Evening

We would like to invite you to the sixth form open evening in order to support you with making informed choices about the future of your child beyond Key Stage 4. As you are aware it is compulsory that your child remains in education or training until the age of 18 and Phoenix is an excellent choice to enable them to continue their progression into adult life.

The event will take place on **Tuesday 14th November 2017 between the hours of 5.30 pm and 7.30 pm** and will provide the opportunity for you and your child to meet some of the current Sixth Form student body as well as the specialised teachers that will be supporting them on their Key Stage 5 journey.

There are many reasons why Phoenix Collegiate should be the choice for your child to continue their development, including the fact that we are one of the highest attaining school in Sandwell for A Level results. Many departments within the school gain results that are well above the national average and provide your child with every opportunity to meet the high standards required for top universities and apprenticeships in large scale organisations.

Making a transitional move to another organisation at this stage of your child's education can cause much more harm than good. So I would invite you to come along and see what is on offer at Phoenix Collegiate and take advantage of the information that you will gain on the evening to support your child with this important decision.

We look forward to seeing you at the open evening.

Yours faithfully,

Mr. L. Stevens,
Head of Beech House and KS4-5 transition
