

24th April 2018

Dear Parents/Carers,

Re: Outcome of latest Ofsted visit

You may have heard that Phoenix was inspected by Ofsted on 20th March 2018 and I am delighted to be able to inform you that as a result of that inspection Phoenix continues to be graded a GOOD school. Can I thank all of you who took the opportunity to complete the Ofsted questionnaire via Parent View. Your support of the school is always very much appreciated.

This outcome has been achieved despite all the building work which has been going on at the school over the past three years and is due in no small part to our tremendous team of dedicated staff and our hard working students who were exemplary during the inspection.

I am now working on our plan for the next three years with our team of governors who care passionately about delivering a first class education to the students at Phoenix to move Phoenix on to becoming an outstanding school.

I have taken the opportunity to enclose a copy of the inspection report with this letter, however a full-size version can be found on our school website at www.aspirebelievesucceed.com

Thank you for choosing Phoenix to provide your child's secondary education. You have my personal guarantee that we will work relentlessly to provide them with the highest standard of education during their time at Phoenix.

I wish everyone a good summer term and look forward to our exam results in August bringing yet more success for our excellent young people.

Yours faithfully,

Mike Smith
Head teacher
